CAUSE

On November 3, 2009, the undersigned officer contacted Ms. Thomas at her residence. Observed in plain view at the time of contact was alcohol. When questioned, Ms. Thomas admitted to consuming alcohol and she submitted to a blood alcohol content test which yielded positive findings for alcohol. Ms. Thomas advised she was aware that her conditions of supervision prohibit alcohol consumption. Following this incident, the offender submitted to an updated substance abuse evaluation, and no further counseling was recommended. The frequency of her urinalysis testing has also been increased.

It should be noted that the delay in reporting this information and requesting action was a result of the transfer of jurisdiction process, as the defendant's instant offense occurred in the Southern District of Iowa.

I declare under penalty of perjury that the foregoing is true and correct.

By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:
